Fathers of Children with Autism Spectrum Disorders (ASD)

Fathers of Children with ASD Group will focus on:

- Personal coping strategies
- Demands of playing multiple roles
- Self-care
- Education about ASD

This group is accepting fathers of children with ASD interested in joining. Sessions are held weekly on Tuesdays from 5:15-6:45 p.m. on an ongoing basis.

This group was designed to meet the unique emotional needs of fathers of children with ASD. The group is designed to provide space for fathers to explore personal issues that are raised by parenting a child with ASD. Sessions primarily consist of group discussion.

The leaders of this group are Greg Sutton, LCPC and Jeff Hall, MA, Therapist.

Warm Springs Counseling Center accepts most insurance plans and Medicaid. Subsidy programs are available for those who qualify.
