

Did you know.....

Autism affects **1 in 150** children and is **four** times more prevalent in boys than girls.

More children will be diagnosed with autism this year than with AIDS, diabetes & cancer combined

Autism receives less than 5% of the research funding of many less prevalent childhood diseases

Autism affects more than **1,500,000** individuals in the U.S. alone and is increasing at the alarming rate of **10-17% a year!**

Autism costs the nation over \$35 billion per year, a figure expected to double in the next decade

The U.S. Department of Education saw a **172% increase** in the case of autism in the 1990's.

Today, **60 families** in America will find out that their child has Autism!

2009 Run for Autism Awareness

The Autism Society of America Treasure Valley Chapter (ASATVC), a 501-C (3) non-profit-volunteer operated organization, is planning it's Annual Run for Autism Awareness. This event is scheduled for **Saturday September 19, 2009** and will consist of a competitive 5K run/walk, family stroll, and a children's event.

Our purpose is three-fold:

- to **promote Autism awareness** in our valley
- to raise funds that will be used to **provide education** to parents, health professionals, emergency response personnel and agencies that serve people with autism and their families
- to provide an opportunity for **community-building** and enjoyment!

How you can help!

We are looking to you, our community, to help support this event. Please consider sponsoring the run through the following options:

PLATINUM SPONSOR

\$750 Donation

- Recognized through promotions and sizable prominent placing on all advertising, such as, flyers, posters, and t-shirts
- 4 race registrations (or race t-shirts if not able to participate in the run/walk)
